## Belts

Belts are a great way to add a touch of style to your outfit. They can be used to cinch a loose-fitting top, to hold up a pair of pants, or to add a pop of color to a neutral ensemble. Belts come in a variety of styles, from simple and functional to ornate and decorative. When choosing a belt, consider the color, material, and buckle. A belt should complement the outfit it is worn with and be comfortable to wear.
